

Poundon House

exclusive house and grounds

Welcome to Poundon House, a privately owned country house wedding venue, located on the Oxfordshire and Buckinghamshire border in a beautiful countryside setting.

Poundon House is renowned for its welcoming atmosphere as a wedding venue and has many years experience in hosting private events.

As you enter into the house, a stone flagged hallway leads into three stunning reception rooms and a south facing terrace with exceptional views of the Buckinghamshire countryside.

We pride ourselves as being the opposite end of the spectrum from a hotel – flexible, creative and personal.

Poundon House is located in quiet countryside, only an hour from Central London and Birmingham with quick access to the M40 and a large choice of local accommodation.

directions to poundon

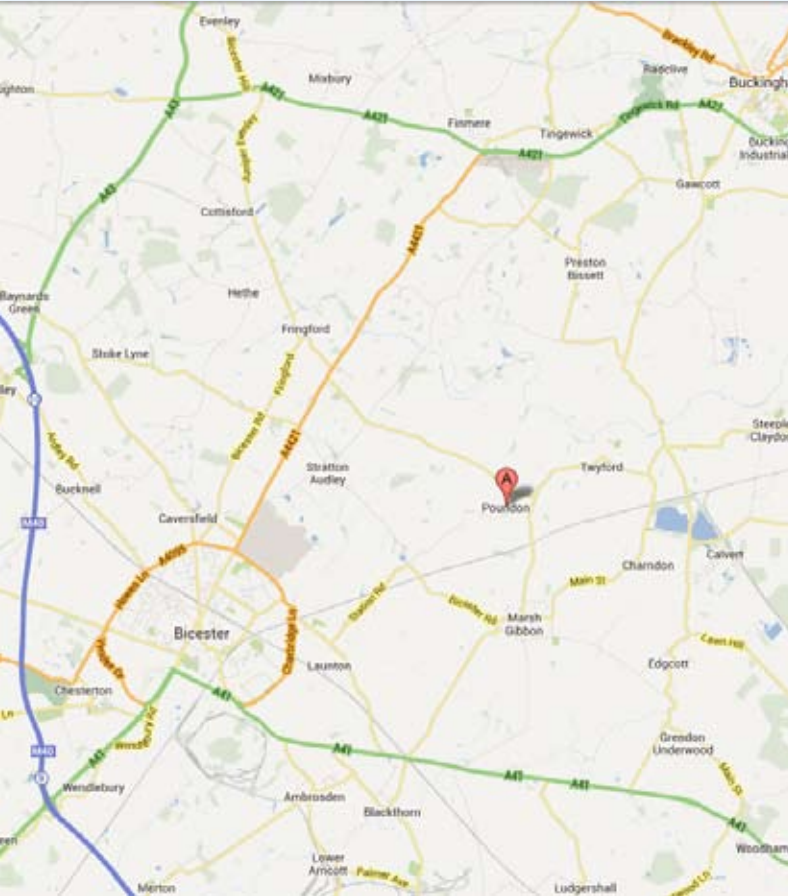

from london / oxford /birmingham

From London or Birmingham, take junction 9 off the M40. On the roundabout above the motorway, head towards Bicester on the A41. At the Esso roundabout, turn right – heading towards Aylesbury. At the next big roundabout, take the second left towards Launton. You will then go straight over two small roundabouts, before turning right at the third, signed 'Launton village only'. In Launton, turn left opposite The Bull Inn – this will be marked to Poundon. Go straight over at the next cross roads, (about 1 mile) up the hill, past the ex-military radio station, (about 2miles) and we are the first house in Poundon, on the right with black gates and a lime tree avenue.

It may be advisable to avoid the M40 exit to Bicester as you may be caught in 'Bicester Village' shopping traffic. If you wish you may exit the M40 at a junction earlier in either direction and head across country.

from buckingham / milton keynes

On the Buckingham / Brackley ring road, follow signs to Gawcott. Continue into Gawcott and turn left at the T-junction, signed towards Marsh Gibbon / Twyford. Continue until you pass the Seven Stars (about 5 miles) on your right, where you then take the next right to Twyford. You cross a railway bridge and then turn right into Twyford. Continue straight through Twyford, then about 2 miles on turn right towards Poundon Take the left by the 'Sow and Pigs' pub. Poundon House is the last house on the left with black iron gates and lime tree avenue.
